PROFESSIONAL EXPERIENCE

Media Buyer | eMarketing Egypt

Feb 2024 – Present • Dokki, Giza, Egypt

- Manage and optimize paid campaigns across Meta, Google, and TikTok for lead generation and conversion objectives.
- Plan campaign structures, select target audiences, allocate budgets, and assess performance against cost-per-acquisition and return-on-ad-spend objectives.
- Run A/B tests on creative, messaging, and audience segments to identify opportunities to improve campaign efficiency.
- Work across 7+ client accounts targeting audiences in Egypt, GCC markets, and Europe; coordinate with internal teams to align campaign activity with client goals.
- Monitor campaign results and translate performance findings into optimization recommendations.

Sales Manager | Dar El Maghraby

Mar 2022 – Dec 2023 • 6th of October City, Egypt

- Led sales activities and coached representatives to work toward monthly revenue and acquisition targets.
- Developed local marketing initiatives and managed key customer relationships to support retention and brand visibility.

ERP Systems Developer | TAB Software

Mar 2021 – Dec 2021 • Heliopolis, Cairo, Egypt

- Developed and maintained ERP application modules and supporting databases for business operations.
- Troubleshot application issues and improved code functionality and system reliability.

Marketing & Sales Supervisor | Touch Media International

2018 – Dec 2019 • Heliopolis, Cairo, Egypt

- Supervised marketing and sales activities, coordinating lead generation with customer outreach and team targets.
